

Marvellous Me

People Who Help Us

Foundation Autumn Term 1 2020

Firstly we would like to welcome you to Cold Harbour C of E primary school. My name is Katie Batt and I am the Foundation Stage Leader. From the end of September I will be going on maternity leave so Liz Jones from Giles Brook is going to be joining our Foundation team as class teacher. Also in class you will find Christine Finney our amazing teaching assistant. We are all looking forward to the year ahead and we can't wait to watch your child learn and grow each day. We believe that communication is key to your child's success and to a great parent/teacher relationship. We encourage you to contact us if you have any questions or concerns at any time. The Foundation Team.

Topic Overview

For the first **two weeks** we will be focusing on getting to know your child and family. These relationships that we build in the first few weeks enable us to support your child with their individual needs and learning styles. We will then be looking at people who help us in school, at home and in our community. We will be finding out about different occupations, how to be safe and where we can go for help.

Subject Focus

Personal, Social and Emotional Development

Understanding the World

Programmes of Study
