Dear Parents & Carers,

We would like to thank you all for your support over the last 4 weeks. We now have all our year groups in school and new procedures put in place to reduce the risk of Covid-19 are working well. With forever changing information in the news, it is important that everyone continues to adhere to the guidelines - remembering 2m distancing, practising good hand hygiene, keeping your child at home if they are symptomatic and ensuring other family members self-isolate until a negative test result is received. By doing this, we can continue to keep everyone safe. Thank you.

Macmillan 'Coffee Morning'

You raised a fabulous **£154.10** for Macmillan. Thank you everyone for your generosity.

Home learning

Thank you to everyone who completed the Home Learning Survey. Your responses will help us to plan how we can support your child with learning at home. If you have not yet filled in the survey, then you can still do so by clicking on this link: <https://forms.gle/bFAoz5xULAiC8Z5H7>

E-Scooters

Please find attached some information provided by Thames Valley Police with regards to electric scooters.

Parent Tours for Foundation starters September 2021

This week we began our first 'Parent Tours' for families who are hoping to apply for their children to join in September 2021. These tours are a really important opportunity for parents to take a look around and get 'a feel' for the learning environment. Families this week commented that "We love the outdoors and didn't realise you had such large grounds and a Forest School area' and 'I love the fact that the school goes right through the primary age range and feels more like a family.'

If you would like to join us for a tour, please contact the school office to arrange a COVID secure tour. Dates and times are:- 1.30pm on Tuesday 13th October 2020, 1.30pm on Tuesday 17th November 2020 and 1.30pm on Thursday 7th January 2021.

Have a lovely weekend.

Claire.
