

Teacher printable example

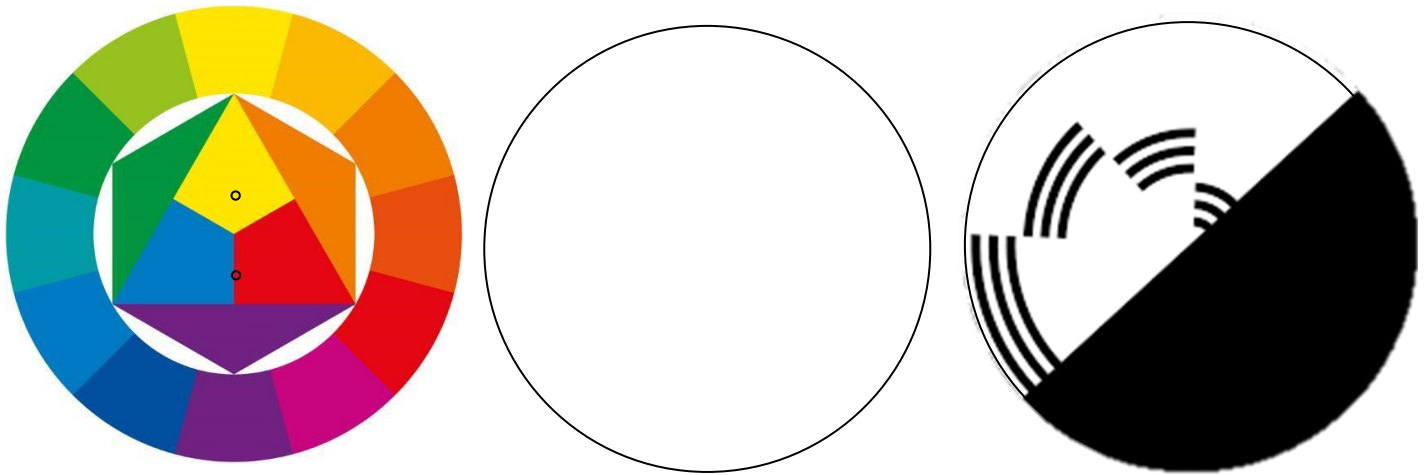

Spare/2nd Design/Extra
strength middle layer

Spare/2nd Design/Extra strength middle layer

Instruction Sheet

Step 1

Cut out your 3 circles. (2 design circles and 1 blank circle of card/cardboard)

Step 2

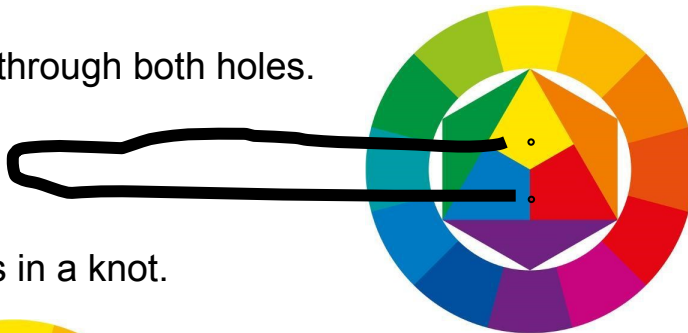

Glue your designs to both sides of your blank card/cardboard circle.

Step 3

Poke 2 holes through all 3 layers of your circle where they have been marked out on your colour wheel. (About 1cm each side from the center of the circle)

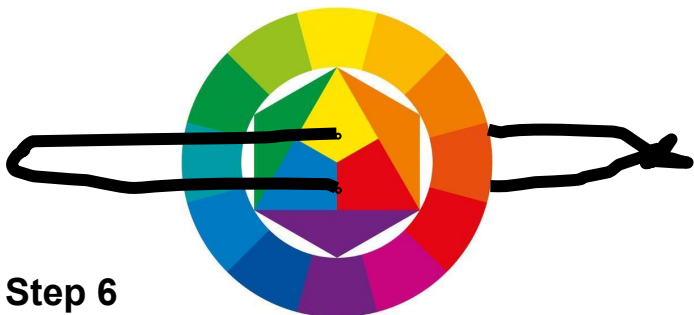

Step 4

Thread your string through both holes.

Step 5

Tie your loose ends in a knot.

Step 6

SPIN! The trick is to bring your hands closer together and further apart while it spins. Have a go and see how long it takes you to get the hang of it!

(skip to 2:46 for spinning demonstration)
